General Environmental Policy Statement

Lynk Contract Services Limited is a small company and our operations have a very limited environmental impact. Nevertheless, the environmental policy of **Lynk Contract Services Limited** is to minimise that impact through careful procurement, the review of operational procedures, and the management of our working environment.

Lynk Contract Services Limited overall environmental objectives are:-

- Pollution Prevention
- Energy Efficiency
- Waste minimisation
- Water conservation
- Heritage conservation

Lynk Contract Services Limited will as far as is reasonably practical

- Improve energy efficiency
- Avoid the unnecessary use of non renewable resources
- Train and involve all employees in environmental management
- Manage our waste in accordance with the waste hierarchy
 1. Eliminate waste
 2. Reduce waste
 3. Re-use waste
 4. Re-cover value
 5. Dispose of remaining waste responsibly
- Continually review and improve our management systems
- Re-Cycle as much waste as possible
- Comply with all applicable environmental legislation
- Conduct environmental reviews of the use of resources
- Reduce dependence on ozone depleting products and other pollutants

Application

The environmental policy is to be applied to all activities undertaken by **Lynk Contract Services Limited** and must be enforced by all directors, managers and supervisors and implemented by all employees.

Complaints

Any environmental complaint will be dealt with by our complaints policy

Training

This policy and any related issues will be trained out via toolbox talks to staff and other interested parties.

Emergencies

Give what we do an environmental emergency is unlikely. However should one occur we would take advice from our retained HS&E consultants, and also record it in company files

Review

This policy is to be reviewed at least annually with the next review due before 01 May 2024

Responsibilities

The responsibility for determining the Company's Policy on environmental matters lies with Christopher Hawkes
